

**SPONSORSHIP FORM**  
**26<sup>th</sup> ANNUAL VIRTUAL MDEC CONFERENCE**  
**Workplace Safety North (WPSN)**

**October 6-7, 2020**

**An Opportunity to Market to International Underground Diesel Equipment Operators**

At this event, you will have an opportunity to virtually meet and network with delegates, who make decisions on and about the use of diesel equipment. In past, the conference has attracted delegates representing mine operators, labour, government, manufacturers, and academic and research representatives from North America and abroad. The Mining Diesel Emissions Council is incorporated as not-for-profit Corporation under the Canada Corporations Act. Our corporate number is 1733839.

**Sponsorship (\$1,000 Canadian)**

- Company name displayed on virtual Banner at the Conference
- Company name on the MDEC website as a sponsor of MDEC Conference 2020
- Opportunity to place one page company advertisement and/or video link on the MDEC web-site for this conference year.

The generous support of the sponsors of this event demonstrates a strong commitment to improving the mine environment. The MDEC Management Committee hopes you will consider re-newing your sponsorship or becoming a new sponsor for this year's conference.

**Further Information:** Visit <http://www.mdec.ca> often for up-to-date information
