

27th ANNUAL MDEC VIRTUAL CONFERENCE

Workplace Safety North (WSN)

November 30 and December 1, 2021

The MDEC is committed to providing a global forum for the dissemination of the latest scientific and technologically advanced research to reduce and control diesel emissions in the mining workplace environment.

The conference is intended for managers; health, safety and environmental professionals; regulators; researchers; manufacturers of diesel engines, equipment, and aftertreatment technologies who are interested in controlling diesel emissions, and improving air quality.

In light of the current COVID-19 pandemic, the MDEC management committee have arranged a shortened virtual conference with themes addressing this event.

Program:

November 30: Conference Technical Session Agenda – three quarter day (www.mdec.ca)

The keynote speaker is 9:30 am - Keynote Address is by Mike MacFarlane – Consultant

Topic: “Glencore – Future direction and innovation in mining”

December 1: Workshop Agenda - Half day (www.mdec.ca)

Topic: Workshop: Alternative Energy Technologies

Registration: Please fill out the registration form online at the following:
Registration at Workplace Safety North (WSN) Link:

https://zoom.us/webinar/register/WN_UgFxp1jSQiawsgOnxBFHFg

There is **no** conference registration fee this year.

Sponsorship: The MDEC relies on the generous financial support of our sponsors to provide delegates with a successful and innovative virtual conference experience. If you or your organization is interested in sponsoring the 2021 MDEC conference, please complete the on-line sponsorship form by **November 12, 2021.**

Certification Maintenance Program (CMP): The board of Canadian Registered Safety Professional (CRSP) and American Board of Industrial Hygiene (ABIH) may grant CMP points for attending MDEC conference and workshop. Please contact them directly.

MDEC Website: Please visit often <http://www.mdec.ca> for up-to-date information.
