

SPONSORSHIP FORM
28th ANNUAL MDEC CONFERENCE,
Hilton Toronto Airport Hotel & Suites, Ontario, Canada
October 4-5, 2022

An Opportunity to Market to International Underground Diesel Equipment Operators

At this event, you will have an opportunity to meet and network with delegates, who make decisions on and about the use of diesel equipment. In past, the conference has attracted delegates representing mine operators, labour, government, manufacturers, and academic and research representatives from North America and abroad. The Mining Diesel Emissions Council is incorporated as not-for-profit Corporation under the Canada Corporations Act. Our corporate number is 440929-5.

Sponsorship (\$2,500 Cdn)

- Company name displayed on the Banner at the Conference
- Company name on conference promotional documents
- Opportunity to place one page company advertisement in conference proceedings
- Company name on the MDEC website as a sponsor of the MDEC 2022
- Two (2) complimentary conference registration (value \$800), and a display table in the exhibit hall (Oct 4-5, 2022)

The generous support of the sponsors of this event demonstrates a strong commitment to improving the mine environment. The MDEC Management Committee hopes you will consider renewing your sponsorship or becoming a new sponsor for this year's conference.
